GLOBAL PACKAGING

Chefmaster Australia's sister company Global Packaging, is your one stop supplier for all of your plastic pail needs. They have enough 'run-of-the-mill' volumes & styles in stock for most businesses' needs and enough expertise to source those harder to find or custom printed pails quickly and inexpensively. From 0.8L to 20L, white poly, clear natural poly, food grade plastic tubs to a completely custom packaging solution they're your team.

Global Packaging can also provide you with basic warehouse packaging materials such as packaging, tapes, plastic packaging and strapping. They have the skills and know-how to supply you with the best products for your requirements and if there is something they do not have on-site, they'll do their utmost to source it for you.

Visit www.globalpackaging.com.au for full product range.

FPA AUSTRALIA

Food Packaging Australia (FPA) is a widely respected provider of disposable food packaging. Envirochoice and Capri are two proprietary brands that FPA own with each brand catering to different needs in the market and allows FPA to satisfy a wide spectrum of customers.

ENVIROCHOICE

Envirochoice—FPA Australia presents a range of compostable, biodegradable and recycled packaging, demonstrating Envirochoice's commitment to preserving the environment and the future of our planet.

They work closely with suppliers to develop a range of packaging that can help keep the environment safe for years to come.

Size: Available in all sizes

CAPRI

Microwave safe take away containers, heavy board containers, coffee cups, show bowls, cutlery, napkins.

Size: Available in all sizes

BIOPAK

THERE IS NO PLANET B

That's why BioPak's mission is to produce the most sustainable, environmentally friendly packaging on the market.

BioPak champion compostable packaging and are focussed on reducing tree-based paper and fossil fuel-based plastic used in foodservice ware by offering an eco-friendly alternative.

PROFILE PACKAGING

Profile Packaging is a privately-owned, Perth based company that has been operating since 1989. For over 25 years Profile Packaging have filled an important role in the foodservice industry, providing durable, sustainable and cost-effective packaging solutions to a diverse range of businesses across Australia.

The passionate and committed team is well placed to provide a flexible and professional approach to focus on delivering an eco-friendly, competitively priced product that can be tailored to suit your specific needs. Alternatively, you can choose from their existing line of trusted, lightweight and quality food containers.

CHEMSMART
